

2009 Sr. High Youth Group Summer Trips Information

As 2008 draws to a close it is time for us to look at our summer trip opportunity for the Sr. High Youth Group. This summer we will be heading to New Orleans for a week of service. I am excited about this opportunity and hope you will consider attending. This experience will be a chance for students to be challenged and stretched in ways that you might not have thought possible. I believe that God can do amazing things when we take time away from our everyday surroundings and let the Spirit be at work. Take a look below for details about the summer trip and consider going on a trip that will impact you.

2009 Summer Service Project Trip to New Orleans

The summer of 2006 the Sr. High Youth Group had the opportunity to go to New Orleans to help with the huge clean up effort taking place following Hurricane. We were stunned when we arrived at the vast amount of devastation and how much work stilled needed to be done. The work continues to take place four years later, but the type of work is different. Our first trip focused on clean up and gutting affected houses. This summer we will get to see things come full circle in the rebuilding phase. Our work will consist of home reconstruction. It will be amazing to see the progress that has happened and be able to go and serve the people of New Orleans again. **We will be doing two fundraisers to help with the cost of the trip. Participation for these two events are mandatory to receive fundraising funds. If you are unable to participate the full cost of the trip will be due.** See the brochure for more trip details.
